

them! There must be a punishment for them! I can give you a guarantee from up and from down, but if they don't take care about Adab, and continue not believing in Me, and being disobedient, I am going to punish them! I will make one party to be against another party, one country against another country, so that their punishment should come from each other!' Those days are coming!

People don't believe in the Holy Qur'an, and the Holy Orders of Allah Almighty. They say: 'Democracy! Democracy is the best!'

Allah says: 'I will leave some of you to kill others from among yourselves!'

Look what is happening in Turkey! Look what is happening in Iran! Look what is happening to Afghans! Look what is happening in Pakistan. Pakistan people claim to be first class Muslims, and they are running through the streets like wild animals, asking to kill, to burn, and to destroy! Is that the Holy Command of Allah? How can you be Muslims?

After a while the whole world will be divided into two camps, according to the Prophet's revelation, and then killing, killing, burning, burning, destroying, destroying. Then there should only be a handful of people left on earth.

Allah will give their punishment through themselves! They say: 'Democracy is the best'. – But where is Allah's Order, o Turks? Or, in Iran they say: 'Iranian Republic. We have a parliament!' From where did you get this idea? Did you find the idea of a parliament in the Holy Qur'an? *Tasbri*, only Allah Almighty has the *salabiyat*, authority, to make Qānūn, orders! Only Allah may send orders, you can't do that! That is *bāṭil*, and the whole Islamic World is *bāṭil* now!

Everyone is following democracy, and not what the Holy Qur'an says! For 1500 years

the Holy Qur'an, the holy Shari'a, has given benefit, leading people to Allah, but now they are not happy with the Shari'a, they say: 'No, we must have democracy'. What is democracy!

This is Allah's Anger, not our anger! '*Falamā asafūnā intakamnā minbum*' – when they make the Lord of Heaven angry with them, He will destroy them!

Beware, o people! This is the last Ramadan! Not millions, but perhaps billions of people are going to be taken away as a heavenly Punishment before the next Ramadan! Tauba, yā Rabbī, Tauba, yā Rabbī, Tauba, *Astaghfirullāh!* O our Lord, give your Mercy! Give us a chance to ask for forgiveness! Give us a chance to follow Shari'a, not Shayṭān's ways, democracy!

That is *munkar!* O my Lord, I am not accepting this! Say: 'We are not accepting democracy!' O Muslims, say this! You must declare this, or punishment will come to you!

May Allah forgive us, for the honour of the most honoured one in His Divine Presence, Sayyidinā Muhammad ﷺ,

Fātiḥah! ◆

Madad, yā Sulṭānu l-ʿAḥliyyā!

As-salāmu ʿalaikum!

Welcome to you, welcome to you!

Aʿūdhu bi-llābi mina sh-shaiṭāni r-rajīm,

bismi llābi r-raḥmāni r-raḥīm.

[The Sheikh makes a short Dhikr:]

Bismi llābi r-raḥmāni r-raḥīm,

bismi llābi r-raḥmāni r-raḥīm ...

Allāh yā Dāʿim ...

Allāh yā Jalīl ...

Allāh Dbu l-Jalāl ...

Welcome to those of you, who have come from the East, or from the West, welcome to you! May Allah bless you and forgive me!

I am only a weak servant, and I am claiming nothing.

By the Name of Allah Almighty All-Merciful, Most Beneficent and Most Magnificent.

Even if you are a King or an Emperor, you are still at ‘zero point’, you are nothing! He Almighty, Allah Almighty, is in real Existence. Real Existence means from pre-eternal up to eternal. Nothing is with Him, He is Alone, He is not in need to have anything. You may be a King or an Emperor, but you need so many things, you can’t be alone. But Allah Almighty, the Kings of Kings, is not in need. He is not getting tired of being by Himself, no. His Existence is real Existence. Whoever has real Existence will never ask for anything. He will never be in need of anything, no. He is by Himself in Existence, He is enough in Himself, He is not needy, Allāh *jalla jalālabub*.

We are all part of His creation. He gives us our existence, saying: ‘Be!’, and we appear. When He says: ‘Come’, we are coming; when He says: ‘Go away’, we go away. When He says: ‘Appear’, we are appearing; when He

says: ‘Disappear’, there is nothing. Allāh *jalla jalālabub!*

You have travelled long distances to come here. This is a preface, as an introduction, so that no one can think, I am something. Only my ego claims that: ‘I am something’, but really we are all nothing. Real Existence is for the Creator.

Are you understanding or sleeping? ...

Don’t say: ‘I am a big person’, don’t say: ‘I am something’. All Prophets came to make people not to claim that they are something! All religions came to take such nonsense ideas away from us. People are saying: ‘I am something.’ If you say this, go to the cemetery: thousands of people are lying there in the graveyard buried. Everyone of them was saying: ‘I am something.’ Ask them, which one of them is something now? Take a shovel, and open a grave, and look, to see if he is something or not! What would you find there except dust?

Only this one [Abdurrahmān] is not claiming to be something, but the rest of you are foolish ones. Are you something? What are you claiming? Are you a cock?

People are becoming mad! This world is ‘*fulki l-mashḥūn*’ [36:41], this world is like a loaded ship. Allah Almighty is saying that which is true. He may say about this world that it is like a ship, a ‘*fulk*’. I am asking: ‘Who is the captain of that loaded ship?’

‘The descendants of Adam – peace be upon him – are being loading onto this planet.’

Yesterday we were talking about from where these people were coming from. Did they drop by parachute, or did they come out of the earth? Now the answer is coming: ‘*wa āyatun labum annā ḥamalnā dburriyyatubum fi l-fulki l-mashḥūn*’ [36:41]. We, the Almighty, were loading them on this world which can be called a ship. Now I am asking learned people:

‘Who is the driver or captain of this ship?’ They are claiming to know so many things, but they know nothing! This world is now full of creatures. And the Lord of Heavens is loading people onto this planet Duniyā.

We are saying that all people are drunk now. They don’t know about themselves, because drunk people never understand anything. When people are drunk, their understanding stops. Drunk people are never understanding anything. When people don’t understand anything, you may say they are drunk, and drunk people are in the worst position on earth of any creature. Because other creatures haven’t been granted ‘*aql*’, they have no mind and no will, but man has been granted mind and will, but when they are drunk, they stop, that is, their understanding and their mentality is finishing. Now people in our days, in this century, are all drunk people who never know what they are saying.

Look from the East to the West! Now everywhere you will find people fighting, killing, destroying, burning, doing things that have no honour for mankind. But all nations, and their commanders, and leaders, are all drunk. They say: ‘We are going to finish that nation’, and that other nation says: ‘We have something that can destroy your territory before you destroy us!’

For what is this? How can someone who has been given mind and willpower, say this? And it is forbidden in heavenly Orders! But drunk people never hear the Announcement from Heaven that comes: ‘O people, stop *fasād*, stop corruption! Don’t spread corruption, don’t kill, don’t burn, don’t destroy, don’t harm! That is My command! I am never happy with you, when you don’t keep My Orders! O people, come and listen to Me!’

And drunk people say: ‘Ehhhh, we don’t believe in such myths, we are not interested in

such fairy tales, we want to do as we like!’

Those people are not real men, real descendants of Sayyidinā Adam, they are descendants of Shayṭān! Whoever kills, destroys, burns, or harms others, is not a real descendant of Sayyidinā Adam ﷺ.

Therefore, Sharīʿa, the Holy Commands of Allah Almighty, say: ‘Don’t give a chance for Shayṭān to have a share in your descendants!’ How can that be?

The Prophet said: ‘If a person wants to come to his wife, he must say: ‘*Aʿūdhu bi-llābi mina sh-shaiṭāni r-rajīm*’! This is Sharīʿat! If he doesn’t say: ‘*Aʿūdhu bi-llābi mina sh-shaiṭāni r-rajīm*’, Shayṭān is mixing his water with the man’s water and what comes out will be half Shayṭān, half *hayran*, animal, not a human being!

Now people are in such a way! They are completely controlled by Shayṭān! They don’t accept Ḥaqq, they say: ‘We are not obeying heavenly Orders, and we don’t believe in Heaven or Orders from Heaven!’ Ha! Therefore the people now living on earth are the worst people! Allah should take them away! They will never be allowed to carry on living! Allah Almighty says that: ‘If you do not obey, a punishment will be sent from Heaven!’

The Prophet ﷺ was praying: ‘O our Lord, give Your Mercy to my nation!’ Allah replied: ‘I am giving My Mercy, by not sending their punishment from Heaven, but I am sending their punishment from under their feet, as an earthquake, destroying them with their buildings!’

And again the Prophet prayed: ‘O my Lord, give Your Mercy to my nation!’, but Allah Almighty said: ‘If they are going to continue to be *ʿāsin*, disobedient, to My Orders, and as long as they continue to refuse to say: “O our Lord, give your Mercy to us”, I must punish
